

VF-1

- Detachable optical Viewfinder
- Multi coated for a clear view
- Special design
- For the M.ZUIKO DIGITAL 17mm 1:2.8 Pancake lens

Wide angle optical Viewfinder

With this detachable viewfinder it is possible to enjoy the use of an optical viewfinder with only an additional weight of 20g. The 3 multi coated glass elements ensure a clear view through the finder with a magnification of 0.47x. The VF-1 is especially designed and with its small size a perfect addition to the Olympus PEN.
